

Ban on the carriage of dangerous items in rail traffic

Information given by German Federal Police:

From **November 1, 2018 until January 31, 2019**, it is prohibited to carry any dangerous item (every kind of knife, tear gas and blunt cut-and-thrust weapon) which could cause injuries – **on Fridays and Saturdays between 20.00 and 06.00 the following day.**

The ban applies to all federal railway facilities including the suburban, regional and long distance train sections **between the stations Berlin Zoologischer Garten and Berlin Lichtenberg as well as all stations located in between** (Zoologischer Garten – Tiergarten – Bellevue – Hauptbahnhof – Friedrichstraße – Hackescher Markt – Alexanderplatz – Jannowitzbrücke – Ostbahnhof – Warschauer Str. – Ostkreuz – Nöldnerplatz – Lichtenberg).

Due to the current situation regarding violent offences by the use of dangerous items this banning order is issued and **enforced by German Federal Police**. In case of a violation of this banning order dangerous items will be seized and a fine for non-compliance will be imposed.

We want you to travel safely!
